Dear Contest Participants,

The EPC Contest Committee has received 499 logs for the 6<sup>th</sup> European PSK DX Contest 2009 from 55 DXCC countries: 4K, 4L, 4Z, 9A, 9H, CO, CT, CT3, DL, E7, EA, EA8, EK, ER, EU, EY, F, G, GM, HA, HB, HS, I, J3, JA, K, KP4, LA, LU, LX, LY, OH, OK, OM, ON, OZ, PA, S5, SM, SP, SV, UA1, UA2, UA9, UN, UR, VE, VU, YB, YL, YO, YU, YV, ZC4, and ZL. We thank all participants for their activity and logs. Congratulations to all the winners in the 2009 European PSK DX Contest.

This year RU3QR again leads the EU Stations – Low Power category with a score of 689080. HA1ZH is second with a score of 500760 and UT5EPP is in third place with a score of 398944. UT7FP is not too far away taking fourth place with a score of 365024.

UR7GO wins in the EU Stations – High Power category with a score of 836318. RT6A follows him with a little difference of 7466 points with a total score of 828852. UA3PAB closes the top trinity with a score of 628476. SOHP-EU is the most popular category in this contest with a lot of entering stations. It's really hard to fight here. Good job guys!

RA9RR takes the top position in the DX Stations - Low Power category with a score of 464252. R9/RW4AA takes second position with a score of 275220, followed by UN7TDB with a score of 88560. YB2ECG is a single Oceanian station in this category with a score of 1547. South America was presented by LW2EIJ with a score of 1260. Top station from North America is VE7BSM with a score of 754. This year we have not seen Africa in the SOLP-DX. Thanks to UA0ZEO for his appearance in the contest representing such rare Russian region on PSK. Even 1 QSO makes difference.

UN1L takes the top position in the DX Stations - High Power category with a score of 1634724. This is the best ever result achieved in this contest for DX stations. Second place goes to RA9AU with a score of 1446464, excellent achievement as well. UN7DA takes third place with a score of 839650. Well done guys, you worked hard indeed. The winning entrant from Africa in this category is EC8AFM with a score of 90860. WS9M is the highest HP North American station with a score of 30184. YV1JGT is leading in South America with a score of 38766. The winning entrant in this section from Oceania is YB0JIV with a score of 17748.

RU3QR, RA9RR, UN1L, and UR7GO will receive our special trophies by post. All the rest winners will receive our PDF certificates by e-mail. The European PSK Club congratulates all the participants on their achievement, and to thank all of you for your support of the PSK modes. We kept the same rules for this contest since its start. It was a good practice to make this contest stable and popular for the last 6 years. Time moves, we learn a lot of new things, and it seems that since the next year we have to do some adjustments to this contest to make it even more popular and exciting. We plan to change the mode baud rate to higher number, update European Areas list, and add more attractive categories. Many thanks for your interest, and we look forward to see you in the 7<sup>th</sup> EU PSK DX Contest 2010.
